Professional experiences

Internship

Type design Internship at Schriftlabor, Font foundry
Porto, Portugal - April 2022 (Three months)

Designed and developed a new typeface, worked on several weights and an italic. Designed Cyrillic characters to complement an existing family.

Graphic design Internship at Luciole, Graphic Design Agency
Paris, France - July 2020 (One month)

Worked directly with project managers and graphic designers to design logotypes for invitations to tender and to decline visual identities and editorial designs for regular clients.

Other

Various freelance graphic design projects
Year 2021

Logo design for cultural and social associations.

Translator for MCC, Treasury company
Paris, France - August 2018

Helped with the translation of a French treasury software into Spanish.

Accomplishment

First price at Brass band Festival poster contest
Montpellier, France - March 2019
